### LEAGUE FIXTURES 2024

#### COMPETITION RULES

1. The Mixed Singles, Ladies Singles, Evening Pairs and Daytime Pairs leagues have been scheduled as set out in the Fixture lists commencing on **May 6th**. The dates for each league follow the usual pattern of play with the Mixed Singles scheduled on Monday Evening, Ladies Singles on Tuesday, the Evening Pairs on Wednesday and Daytime Pairs on Friday. However, the Committee have agreed that all Members should be **FLEXIBLE** and make all reasonable allowance to accommodate the re-arrangement of matches for the benefit of all concerned.
2. Where matches are to be re-arranged this **must** be notified and agreed in advance between the players and the new date and time entered on the fixture sheet on the notice board. Players should avoid rearranging matches which coincide with scheduled Club competitions usually played on a Saturday afternoon the dates of which will be posted on the notice board and website.
3. Rearranged matches may be played in advance and should be completed whenever possible within **3 weeks** of the original date.
4. Inclement weather is not a valid reason for rearrangement although common sense and mutual agreement may be applied in circumstances where heavy rain or poor green conditions prevail eg. Green waterlogged etc.
5. The **Mixed Singles League** matches will normally be played on Monday evening to commence at **6 o'clock** unless arranged otherwise by prior agreement. Due to the number of entries there will be 6 matches scheduled at 6pm with the other matches (**shaded yellow** on the fixture list) to be played at 5pm or 7pm by mutual agreement.
6. There is no **Ladies League** this season and the Tuesday evening session may be used to play re-arranged matches or preliminary rounds of the championship games.
7. The **Pairs League** matches played on Wednesday evening will commence at **6 o'clock** unless arranged otherwise by mutual agreement. This is to accommodate members with full daytime commitments. Note that the last fixture of the season is 4<sup>th</sup> Sept which will clash with the EBU. These matches should be completed before this date if players are unavailable.
8. The Daytime Pairs League will commence at **1:30pm on a Friday** unless arranged otherwise by prior mutual consent.

12. The Mixed Singles League shall be operated for the overall Merit Championship.
13. Matches may be played in advance but any Singles matches not completed by **September 5th** shall be declared void or players awarded a walkover with a 10 shots margin if their opponent is unable to fulfil the match.

20. Shots for and against shall be recorded and in the event of a tie on points at the end of the season the final positions shall be determined by the shots difference.

22. A draw for rinks shall be made before each match or session of matches which shall include all available rinks in play. In the case of rearranged matches a choice shall be drawn from all rinks available.
23. All results shall be recorded on a match score card and signed by both players (or one from each pair). The match score may also be posted on the fixture list on the notice board.
